

## **Propositions of International tournament in showdown table tennis**

City Sports Club of blind and partially sighted athletes - section showdown table tennis in cooperation with LCI-D122 ČR a SR and LC Žilina organize an international tournament in showdown table tennis.

In showdown table tennis tournament will participate 30 sighted and blind players from countries of the Visegrad Group (Poland, Czech Republic and Slovak Republic). All players are blind impaired.

The competition takes place in groups on four gaming tables. Presentation of the participants takes place on 9th April 2016 at 8.30 am and then draw take place.

After the opening ceremony of the tournament players will be drawn into groups in which they compete against each other.

From each group two players advance to the quarter - finals. The winners then advance to the semi-finals and finals of the tournament.

The best players will participate in the final battles of the tournament and they will take on the challenge. Of course the winner can be only one.

The best players will be officially awarded.

All day, the players and the fans will be taken in care by the hostesses and organizers.

Closing ceremony of the tournament and announcement of results will take place at 7:00 pm.
